OfficerID: 1851, Narrative

On 2/22/2019 at 0828hrs, Officer Sullivan and I responded to 1654 Devonshire Ln. in reference to a disturbance between construction workers and a nearby resident. The mentioned residential address is currently under construction.

Upon my arrival, I met with Construction Managers Adam Morales, and Joseph 'Bryan' Caden who stated that Martin Hyde was on their property yelling 'You need to tell your fucking Mexicans to turn off their Spanish music'. Caden and Morales advised Hyde left the area prior to police arrival. Morales and Caden are currently building multiple houses in the area.

Morales stated that Hyde was yelling at his construction workers to stop the noise when he and Hyde got into an argument over the issue.

Caden stated that he separated Morales and Hyde and called the Police to document the ongoing issue. Caden and Morales would like to trespass Hyde from the property but were unable to, due to the fact that Hyde was no longer on the property when Officers arrived. Caden and Morales are also concerned that Hyde could injure himself while walking onto the active construction site. Caden and Morales advised they purchased "No Trespassing" signs for the property, however the ongoing disputes with Hyde have not ceased.

Caden and Morales were given a case number.

No further actions were taken.
